

## Johann Melchior Molter: Concertino in E minor, MWV 9:24

---

The present edition is based on a set of manuscript parts in the Badische Landesbibliothek, Karlsruhe (shelfmark D-K Mus. Hs. 369). The title-page reads “Concertino, in E la mi | à 4 | Soprano, Viola di Gamba | Viola di Gamba | Flauto trav: | e | Cembalo”. The fingerings in the treble viol part are original. While the flute part has standard trill marks, the treble viol uses the more old-fashioned *t* symbol; I have opted to replace these to match the flute.

Editorial slurs are comprised of dashes. Added accidentals are bracketed.
